| Apply for Graduation                                |         | The Four-Year Plan is designed only as a guide. It does not guarantee; 1) that all courses listed will be offered during a given semester, or 2) if they are offered that the scheduling will not conflict. Estimated time of completion is based on 15 hour semesters, with no summer classes. A change in hours or courses taken during the summer will either reduce (taking 18 hrs. or summers) or extend (taking less than 15 hrs.) the time needed. |         |

## CRIMINOLOGY CURRICULUM FAQs

### *What are Criminology Electives?*

These are any Criminology 3000 or 4000 level course that you have not taken, or are not required to take. Meaning, you could take CRIM 4693, Sports, Crime, and Society, which is a criminology elective. However, you could also take an *additional* area course as an elective. For instance, if you took CRIM 4230, Ethics, to satisfy your ethics area, you could then take Police Deviance (CRIM 4211) as a criminology elective.

### *What are Supporting Courses (Shared with Minor)?*

These are 3000 or 4000 level courses that support your major. They may be criminology or non-criminology courses. If you have a minor, you can share these courses with your minor.

### *What are General Electives?*

Although it may not show in your Wolf Watch, under potential electives, or general electives, you need 12 hours in order to graduate. These are any courses 1000-4000 that are not PWLA (physical wellness/education type courses).
