On occasion, an employer may for whatever reason decide not attend a career fair for which they have paid and registered. If that employer "no-shows," that is, does not come to the fair and does not notify Career Services prior to the event that they are not coming, the full fee for the fair (or fairs) is assessed. If the account has already been paid, then those monies are forfeited.

### **Refunds**

- Requests for registration cancellation must be made in writing to the UWG Career Services. Event expenses are incurred based on the number of registrants; therefore, NO request for release of obligation or refund will be granted if received by UWG less than 14 days prior to the event. A full refund will be granted if the request for cancellation is received at least 30 days prior to the event and a refund of 50% will be granted if the cancellation request is received 15-29 days prior to the event.
- No refunds will be given for "no-shows" to University Career Services events. Fees paid are forfeited.
- No refunds are given to any company/business that has violated a University Career Services policy and is denied services. Fees paid are forfeited.
- Please understand that University Career Services does not cut refund checks; instead, the University's Controller's office does this. Refunds will take some time to process.
