Autism Spectrum Disorder Documentation Instructions and Form
Updated December, 2015

Student Instructions and Information:

- Students must submit current documentation to Accessibility Services.
  - Current documentation is defined as:
    - Documentation that reflects data collected within three years at the time of request for services.
    - It is at the Accessibility Services counselor’s discretion to make appropriate exceptions to this policy and/or to request a reevaluation and more recent documentation in order to establish the most appropriate accommodations.
- A qualified provider (medical doctor, psychologist, or psychiatrist) must provide the documentation.
- In place of this form, a letter may be provided including all of the requested information. Any letters must be on letterhead from the provider’s practice. Any documentation must include the provider’s signature and credentials.
- Students are asked to provide documentation prior to the intake meeting if at all possible. It is during the intake meeting that appropriate accommodations, and the process for using the accommodations, will be discussed.
- Documentation can be submitted in person or by mail to the UWG Counseling Center, 123 Row Hall, Carrollton, GA 30118, by fax to 678-839-6429, or by email to counseling@westga.edu.

The Office of Accessibility Services establishes academic and/or housing accommodations for students with a documented disability. The Americans with Disabilities Act (ADA) defines a disability as a physical or mental impairment that substantially limits one or more major life activities. The University System of Georgia Board of Regents (USGBOR) requires current and comprehensive documentation for any diagnosis of a disability in order for disability services providers to determine appropriate accommodations and services. Please see Appendices D-H of the USGBOR Academic and Student Affairs Handbook for more information.

Please check all of the following DSM-5 diagnostic criteria as appropriate to describe current symptoms. **Attach standardized assessments (e.g. Autism Diagnostic Observation System, Autism Diagnostic Interview-Revised, Social Communications Questionnaire) as appropriate.**

_____ Persistent deficits in social communication and social interactions across multiple contexts, such as deficits in:
   _____ Social-emotional reciprocity
   _____ Nonverbal communicative behaviors used for social interaction
   _____ Developing, maintaining, and understanding relationships
   _____ Restricted, repetitive patterns of behavior, interests, or activities, as manifested by at least two of the following:
      _____ Stereotyped or repetitive motor movements, use of objects, or speech
      _____ Insistence on sameness, inflexible adherence to routines, or ritualized patterns of verbal/nonverbal behavior
      _____ Highly restricted, fixated interests that are abnormal in intensity or focus
      _____ Hyper- or hypo reactivity to sensory input or unusual interests in sensory aspects of the environment

Please indicate the severity level of the disorder as appropriate.
   _____ Level 1: Requiring support
   _____ Level 2: Requiring substantial support
   _____ Level 3: Requiring very substantial support

Please describe the history of the disorder, specifically the above listed symptoms present in early childhood.
