

2017-2018 Missing Parental Information

Student Name: _____ **UWG ID#** _____

The Financial Aid Office has received the results of your 2017-2018 FAFSA; however, you did not provide any parental information. As a dependent student, parental information is required in order to process financial aid, except for in extenuating circumstances.

PLEASE INITIAL ONE CHOICE THAT BEST REFLECTS YOUR SITUATION:

- A. _____ **I have updated my 17-18 FAFSA with my parents' information. Please update my records. (Sign the bottom of this page; no further information is needed with this form)**
- B. _____ **My parents have refused to provide financial their information. I have understood the information on Page 2 of this form and my parent and I have signed it.**
- C. _____ **I believe there are extenuating circumstances that support a dependency override for my situation and will provide with this form supporting documentation as described below:**

In order to better understand your situation, we must have a written statement from you and supporting documentation of your circumstances. Approved types of documentation will be based on your situation, but may include letters or reports on official letterhead stationery and have official signatures from:

- Members of the Clergy
- An Educational Official (teachers or counselors)
- Police Reports
- Reports from DFACS (Department of Family and Children Services)
- Other items may include: birth certificates, death certificates or divorce decrees.

Situations that **do not** qualify for a dependency override:

- Parents do not support student financially
- Student does not live with parents or pays own bills
- Parents are not helping to pay for college

The Financial Aid Office will decide whether or not to allow you to complete the FAFSA process without your parents' information. It is extremely important that you provide all necessary documentation and fully describe your situation and how it prevents you from obtaining your parents' information.
