UWG bookstore credit

You have elected to have up to a \$750 maximum of your Financial Aid refund available as a bookstore credit at the UWG on-campus bookstore. If the final cost of your books exceeds the bookstore credit, you will be responsible for paying the difference at the time of purchase. If the final cost of your books is less than the bookstore credit, the excess amount will be applied to your Higher One account. Higher One will notify you via email when the funds are available on the Higher One Card. Any changes made to your schedule or additional charges for housing/meal plan can reduce or eliminate the bookstore credit and/or refund to Higher One. If at any time you want to change this selection, please select the NO option from the previous screen.

If your Financial Aid is reduced after your bookstore credit has been processed you are responsible for paying UWG any outstanding balance as a result of this reduction.

If your estimated refund on the Financial Aid Breakdown Bill is more than \$750, you will receive the maximum bookstore credit of \$750. If your estimated refund is less than \$750, the entire estimated amount would be applied as your bookstore credit.

You can visit the Enrollment Services Center website for a list of FAQs about this service. If you have additional questions, feel free to contact our office and we would be happy to assist you.
