If you choose to accept your federal student loan(s), you are required to complete a Loan Entrance Counseling Session and sign a Master Promissory Note. These must be completed before any federal student loan can be released to you. These must be completed by the student, not parent. Please follow these instructions to complete the above requirements:

• Select “Complete Loan Entrance Counseling Session” for Direct Subsidized or Direct Unsubsidized Loan
• After all sections are completed and the Loan Entrance Counseling Session has been submitted, you will be sent an email confirmation to the email address you used for your FSA ID
• Repeat steps for completing the Master Promissory Note for Direct Subsidized or Direct Unsubsidized Loan - Do not complete for the PLUS Loan
