

COLLEGE OF EDUCATION

INNOVATION IN TEACHING, LEADERSHIP, AND WELLNESS

COLLEGE OF EDUCATION

Come explore the College of Education! Our goal is to prepare graduates for professional careers in diverse settings within three dynamic areas of focus:

- Teaching (Elementary, Physical, Secondary, and Special Education and Reading Instruction)
- Leadership (Media, School Improvement, Higher Education Administration, Educational Leadership, and Sport Management)
- Wellness (Speech-Language Pathology, Professional Counseling, and Health & Community Wellness)

With over 25,000 alumni, we are among the Southeast's largest and most respected Colleges of Education. Degrees and certificates can be earned on campus, at off-campus sites, and online.

The College's faculty hold advanced degrees and contribute regularly to the advancement of knowledge through scholarly papers, presentations, articles, and books.

Whether you are seeking an undergraduate program that will prepare you for your first assignment, a certification/endorsement program that will expand and broaden your career, or a master's, specialist, or doctoral degree to help you reach the apex of your field, you will find no better place to pursue this study than the College of Education at the University of West Georgia.
