

# MARCH WEST

UWG MARCHING BAND

# JOIN THE UWG MARCHING BAND

## WHO ARE WE?

The UWG Marching Band is an organization that is open to all students on campus, **regardless of major**. It is a unique ensemble that combines drum corps style marching techniques with show band elements.

## WHAT ABOUT TIME COMMITMENT AND COST?

Currently, the marching band rehearses less than five hours a week, so you'll still have plenty of time to study and be involved in other activities on campus. A yearly fee of \$75 gets you your uniform, t-shirt, and a polo shirt. Aside from things like reeds, valve oil, shoes, and gloves, **EVERYTHING ELSE** (band camp meals, travel, hotel, you name it!) is included.

## ARE THERE CONCERT BANDS?

Yes! The UWG Band Program is one of the largest communities at the university. Whether it is Marching Band, Concert Band, or our other ensembles, you'll instantly have a new group of friends as soon as you arrive on campus.

Please contact the directors should you have any questions about the band program. Come and see what UWG Bands has in store for you!
