THEATRE AT UWG

DARING, DYNAMIC, DEFIANT: YOUR WORLD IS OUR STAGE.

Daring, dynamic, defiant...these three words best express the nature of the UWG Theatre program faculty and students. UWG Theatre offers a Bachelor of Arts and a Bachelor of Fine Arts in Theatre. In these degree programs, majors gain vast experience in all areas of theatre.

Current alumni are finding success after graduating with their UWG Theatre degree: they are performing on Broadway, on the many stages in Atlanta, and in film and television. Students not only act in our productions – they also design, write, direct, and market them. Our active theatre faculty work in the Atlanta theatre scene, publish in regional and national magazines and journals, and keep updated on the latest theatrical trends in order to bring new ideas to the classroom and rehearsal hall.

The theatre program is housed in two beautifully renovated historic facilities, as well as in the Townsend Center for the Performing Arts. UWG is an accredited member of the National Association of Schools of Theatre. The UWG Theatre program has a strong reputation for excellence in ensemble work and mentoring young theatre artists. Make UWG your destination for Theatre.
