INTEGERS CONFERENCE 2009

In Celebration of the 65th Birthdays of Mel Nathanson and Carl Pomerance

October 14-17, 2009
University of West Georgia
Carrollton, GA

The Editors of *Integers: Electronic Journal of Combinatorial Number Theory* are pleased to announce the **Integers Conference 2009**. The Integers conferences are international conferences in combinatorial number theory, held for the purpose of bringing together mathematicians, students, and others interested in combinatorics and number theory. We will also be honoring Professors Melvyn Nathanson and Carl Pomerance on the occasions of their 65th birthdays.

Plenary Speakers:

- Jean-Marc Deshouillers
- Kevin Ford
- Ron Graham
- Yahya Hamidoune
- Hendrik Lenstra
- András Sárközy

Registration: Registration is free of charge. However, all participants must register in advance, due to limited seating and so that we will be able to plan appropriately for the conference. Registration is done online at www.westga.edu/~math/IntegersConference2009/

Supporting Organization: The National Science Foundation

Location, Travel, Lodging: The conference will be held on the campus of the University of West Georgia in Carrollton. The city of Carrollton is about 45 miles west of Atlanta. Those

coming by air should fly into Atlanta. Directions, maps of the campus, and parking information will be sent to all who register. Participants must make their own hotel reservations. A block of rooms has been set aside for the conference at the Hampton Inn (770-838-7862) at the reduced rate of \$84, and another block of rooms at the Holiday Inn Express (770-838-0508) at a reduced rate of \$77; both hotels are in Carrollton. In order to obtain the reduced rate, you must call the hotel directly, no later than September 30, and state that you are with “The Integers Conference at the University of West Georgia.” There are several other nearby hotels including: Jameson Inn (770-834-2600) and Quality Inn and Suites (770-832-2611).

Proceedings: Papers presented at the conference will be considered for publication in a special issue of *Integers*. The Proceedings’ papers will be handled according to the journal’s usual refereeing process. To be considered for inclusion, final manuscripts must be submitted no later than January 25, 2010.
