AUDITING COURSES - VA DOES NOT PAY FOR CLASSES WHICH ARE AUDITED.

INDEPENDENT STUDY - GRADUATES & UNDERGRADUATES
These courses will be measured on the number of credit hours assigned to them by the institution. Students should check with the Registrar's Office if he/she must schedule an independent study course in order to obtain instructions for receiving VA approval. THIS SHOULD BE DONE IN ADVANCE OF REGISTRATION FOR THE CLASS.

INTERNSHIPS: GRADUATE & UNDERGRADUATES
Anyone interested in registering for a NON-TEACHING internship should notify the department head and dean of the course and present complete information to the Registrar's Office as far in advance as possible. SEPARATE APPROVAL MUST BE SOUGHT IN THESE CASES.

IRREGULAR SUMMER SEMESTER SCHEDULES
With many irregular summer semester schedules, it should be noted that the veteran or dependent cannot receive payment for any full calendar month in which he/she does not enroll in classes. In other words, if your summer schedule ends June 5, and your fall semester classes begin August 18 or later, you cannot get paid for July or the break between semesters because the full calendar month of July intervenes between enrollments. This makes it advantageous for the student to sign up for classes extending to the end of the summer semester.

REMEDIAL COURSES
Veterans or dependents enrolling in Learning Support (Remedial) courses will receive VA benefits provided these courses are required by the University. Payment of benefits for such work is limited to a total of 30 semester hours and to 10 semester hours in each collegiate placement area.

"W" GRADE ASSIGNED
Effective December 1, 1976, VA will not pay for a course for which a non-punitive grade is assigned unless MITIGATING CIRCUMSTANCES are found. Benefits for that course will be terminated effective the first day of enrollment in that course.

ALL FINANCIAL TRANSACTIONS ARE DIRECTLY BETWEEN THE STUDENT AND THE VETERANS AFFAIRS:
"The institution serves only as a source of certification and information to the Veterans Affairs."

Students receiving VA benefits must adhere strictly to a planned program of study as indicated in their school catalog. They are required to report to the Registrar's Office changes in course load, withdrawals, change of program, address, or any interruptions in class attendance in order to minimize personal liability resulting from overpayment of benefits or suspension of benefits. VETERANS ADMINISTRATION REGULATIONS INDICATE THAT STUDENTS RECEIVING BENEFITS ARE EXPECTED TO ATTEND CLASS (ES) REGULARLY.

PHYSICAL EDUCATION REQUIREMENTS
You must consult the catalog under which you entered UWG or your advisor to determine Physical Education requirements since they are not required for all majors. Veterans who served at least two years of ACTIVE DUTY may contact the Registrar's Office for additional information about Physical Education requirements.
