Sandy Thompson was selected as a Subject Matter Expert and team facilitator to assist the GA Department of Education, CTAE End-of-Pathway Assessment Development Project to design assessment stems for Accounting, Phase II. UWG is one of only a few postsecondary entities participating.

Jeff Rooks and **Tom Gainey's** paper titled "Blended Learning In Academia: Suggestions For Key Stakeholders" was presented at the 2008 Southeastern InfORMS Conference.

Alexa North and **Sunil Hazari's** article, "Assessment Challenges for Business Education in Changing Times" was published in the recent issue of *Journal of Applied Research For Business Instruction*.

The Chair's Corner

The October DAC meeting was held on October 16, 2008. The major issues discussed are as follows:

- The RCOB Staff Assistants came to the first part of our meeting to discuss the current restructuring effort.
- For all IT issues (including classroom issues) we are supposed to call the Technical Support Service Desk at 96587. If your issue is not resolved in a reasonable time period, please note this on the survey that is forwarded to you. Also, if problems persist, please provide this feedback to Diane Williamson. She is the IT liaison.
- Each month I now have to complete and sign a "Leave Report." Please notify me, via e-mail, of any days that you are unable to teach your classes. I am required to report these days to HR each month.
- The issue of how to reward individuals promoted to Senior Lecturer was briefly discussed. This issue is currently being examined by PAC.

Please see me if you have any questions. Our next DAC meeting is scheduled for November 13, 2008.

Tom G.

Lindsey Robinson works as a student assistant in the Management Department. She is currently working on her Bachelor degree in Management and plans to graduate Fall 2009. She was born in Alabama; however, now lives in Villa Rica. She is a member of The National Honor Society of Collegiate Scholars since 2007, when it was founded as a student organization on campus, and now holds the President position.

Carolin Schoeneck works as a graduate assistant for the management department since August 2008. She received a bachelor degree in management from the University of West Georgia in May 2008. She was born in Berlin, Germany, and is the daughter of Andreas and Sylvia Schoeneck. She represented UWG on the volleyball court 2005-2007 and is a member of the 2007 Gulf South Conference Champions. She is also member of the international honor society Beta Gamma Sigma.

My name is Lauren Young and I am from Fayetteville, GA. I am a graduate research assistant for the Management department. I graduated from the University of West Georgia with a Bachelor of Business Administration degree in Marketing in May 2008. I am an alumna of Alpha Xi Delta sorority. I am currently pursuing a Masters degree in Business Administration and will graduate in August 2009. I am getting married to a University of West Georgia alumnus on July 18, 2009 at Carillon Beach in Florida. After we get married, we plan to move to Newnan, GA.

Oxana Minina

I am originally from Russia. I received a Bachelor of Science in Education at Komi State Pedagogical Institute. I'm currently doing my MBA at University of West Georgia and working as a graduate teacher assistant for the MIS department.

Woubayhw Bekele is a student assistant at the Management Department. She loves working there as she is always surrounded by very helpful and humorous people. She was born in Atlanta, GA but was raised in Ethiopia. She is currently a senior working on her Bachelor Degree in Management Information Systems. She loves to be involved and is currently the president of the Student Activities Council and apart of the African Student Association. Her motto in life is Peace and Love and that the only thing holding you back from what you want is yourself.

Scott Digby works as a graduate assistant for the MIS department and is working on getting his MBA at the University of West Georgia. He received his Bachelor Degree in mass communications with a minor in chemistry.

Management Department will host “KISS”!!
