## New Graduate Assistants for Spring 2011

Matthew Jordan  
IT GRA

Hello my name is **Matt Jordan**. I graduated from the University of West Georgia in May of 2010, with a Management degree. I recently have been accepted into the Graduate School MBA program at West Georgia and start my studies in the Spring Semester of 2011. I have also received a GRA position working with the Management department that I am very excited about. I have a wonderful family that supports me and I love spending time with them. I am engaged and getting married to my beautiful fiancé June 11, 2011. I hope to further my education and seek a career that best suits me so that I am able to support my family one day. I am looking forward to my studies and working with the Management department.

My name is **Mariana Sanchez** and I am from Curitiba, Brazil. This will be my second semester as a graduate student in the MBA program at the Richards College of Business and my first as a graduate research assistant for the Management Department. I have also earned my Bachelor's degree from the University of West Georgia in May 2010, with a major in Sport Management and a minor in Marketing.

While at UWG, I also served as the President of the Sport Management Society, an on-campus student organization. I have also been an active member in the Marketing and Management Clubs. Currently, I am a member of SIFE (Students in Free Enterprise) and plan to become involved in various community projects.
